Why Use the Ontario 511 Mobile App?

Stay Ahead of Travel Disruptions
Check traffic conditions, incidents, road closures and construction activity before you travel to help avoid delays.

Stay Informed While Travelling
Use Hands-Free Drive Mode to receive spoken travel updates without taking your eyes off the road.

Personalize Your Experience
Save frequently travelled routes and receive updates tailored to the roads and trips that matter most to you.

Travel Through Winter with Confidence
Track active snowplows and monitor current road conditions across Ontario.

Make Informed Travel Decisions
Access trusted, real-time road, traffic and weather information to help choose the best route and adapt to changing road and weather conditions.
